

eScreen Recognized as One of America's Fastest Growing Private Companies by Inc. 5000

Overland Park, KS. — September 3, 2008 — eScreen, Inc., the leading provider of instrumented drug screening and electronic hiring program management solutions, today announced it has been named as one of the 5000 fastest-growing private companies in America by Inc. 5000.

eScreen is ranked number 4101 on the Inc. magazine's top 5000 fastest-growing private companies in the country. Each year the magazine and Inc.com celebrate the remarkable achievements of today's entrepreneurial superstars.

"Our second annual Inc. 5000 continues the most ambitious project in business journalism," said Inc. 5000 Project Manager Jim Melloan. "The Inc. 5000 gives an unrivalled portrait of young, underreported companies across all industries doing fascinating things with cutting-edge business models, as well as older companies that are still showing impressive growth."

Robert Thompson, eScreen's President and CEO said, "eScreen has invested significant time, money and effort into its products, software and services; driven by a desire to be the best at what we do. To be recognized nationally by Inc. 5000 is a substantial achievement for the eScreen team."

The 5000 companies that made the list reported aggregate revenue of \$185 billion and median three-year growth of 147 percent. Most important, the 2008 Inc. 5000 companies were engines of job growth, having created more than 826,033 jobs since those companies were founded. Complete results of the Inc. 5000, including the eScreen company profile and a list of the fastest-growing companies that can be sorted by industry and region can be found at www.inc5000.com.
